先·进·技·术 THE ADVANCED TECHNOLOGY

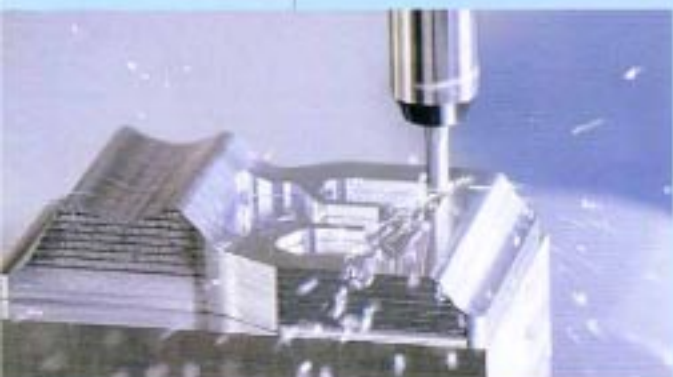

采用先进的生产技术是提高企业竞争力的法宝

Using the production technology of first-in is raising the magic weapon that the enterprise competed power

生·产·设·备 PRODUCTION EQUIPMENT

精良的生产设备是力强模具腾飞的翅膀
Excellent production equipment is the wing that the strong mould flew swiftly upward perpetually

试·模·样·件 TRY THE APPEARANCE SPARE

一流的模具带来令客户满意的模件
The first-rate mould brings the module that to make the customer satisfied

试·模·样·件 TRY THE APPEARANCE SPARE

合格的模件为客户带来持续的发展与效益我们愿意与客户一道互动 发展双赢...
The qualified module brings development that goes on and beneficial result for customer , and we are willing to win with customer moves the development duplexing together mutually ...
